SUMMARY OF THE REASONS FOR DECISION:

The computer printout entitled *Bound And Determined.doc* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The computer printout contains a fictional story describing a mutually consensual extreme bondage experience between a man and woman and involving sadomasochistic dominant/submissive role-playing. The need for a restriction due to the treatment of matters of sex has been weighed against the right to freedom of expression set out in s14 of the New Zealand Bill of Rights Act 1990. The sexually explicit language used to describe the encounter and the practices described renders the availability of the publication likely to be injurious to the public good unless its availability is restricted to persons who have attained the age of 18 years. This decision is considered to be reasonable and justified in order to prevent the likelihood of injury to the public good.
